

The image shows a standard European energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large white letters on a blue background, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" is on the left and the model "BTOM5N" is on the right. A tap icon with "XXS" indicates a small window. The energy efficiency scale is shown as seven horizontal bars labeled A through G, with bar A being the longest and highlighted in black with a white arrow pointing to it. Below the scale, a speaker icon with "15 dB" is on the left, and a box on the right contains "525 kWh/annum". At the bottom left is the year "2015", at the bottom center is "812/2013", and on the right side, oriented vertically, is the number "560575".
