

The image shows an energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large white letters on a blue background, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" is on the left and the model "OV15" is on the right. Underneath "MORA" is a small icon of a window handle and the text "XXS". The central part of the label features a scale of energy classes from A (green) to G (red), with a black arrow pointing to class "A". Below the scale, there is a speaker icon with "15 dB" and a box containing "523 kWh/annum". At the bottom left is the year "2015" and at the bottom right is "812/2013". A vertical number "298504" is printed on the right edge of the label.
