

The image shows an energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large white letters on a blue background, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" is on the left and the model "EOM150PK" is on the right. A tap icon with "XL" next to it is positioned below the brand name. The energy efficiency scale is shown as seven horizontal bars labeled A through G, with A being green and G being red. A black arrow points to the "D" bar. Below the scale, a speaker icon with "15 dB" is on the left, and a box on the right contains "4643 kWh/annum". At the bottom left is the year "2015", and at the bottom right is "812/2013". A vertical number "560180" is printed on the right edge of the label.
