

The image shows an energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large white letters on a blue background, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" is on the left and the model "EOM50PKT" is on the right. A tap icon with the letter "M" is positioned below the brand name. The central part of the label features a scale of energy efficiency classes from A (green) to G (red), with class D highlighted in black and an arrow pointing to it from the right. Below the scale, a speaker icon is shown next to the text "15 dB". To the right of this, a box contains the energy consumption value "1522 kWh/annum". At the bottom left, the year "2015" is printed. At the bottom right, the standard number "812/2013" is printed, with the number "560328" written vertically next to it.
