

The image shows an energy label for a MORA KEOM80PKTL model. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" and the model "KEOM80PKTL" are displayed. A tap icon with the letter "M" is positioned to the left of a vertical energy scale. The scale consists of seven horizontal bars labeled A through G, with colors ranging from green (A) to red (G). A black arrow points to the "D" bar, indicating the product's energy class. Below the scale, a speaker icon with "15 dB" is shown in a rounded box. To its right, another rounded box contains the text "1530 kWh/annum". At the bottom left, the year "2015" is printed. At the bottom right, the standard "812/2013" is printed, with the number "560610" written vertically along the right edge of the label.
